Dave's Two Cents

By Dave Wenzlick

Condensed newsletter?

This will be a much shorter issue than most Fanbelt Flyers. I guess with having new officers taking over the reins there was confusion about who would submit articles and reports for the newsletter and none were sent to me. I've got to get this printed and in the mail tomorrow morning so I'm running the issue today (Sunday) so I can get it in the mail.

Since I have been out of the state during the last two club meetings I don't have much news to report other than being sure everyone knows about the regular club meeting this week on Wednesday December 4th and the Cactus Corvaair Club Christmas Party on Saturday December 14th. See next page for map and directions to the party. Other than that, please note that the club has a new mailing address listed in several places in this newsletter and on the website.

Adam Kolaniak

I also wanted to mention the passing of past club president Adam Kolaniak. Services for Adam were held on Nov 23rd in Casa Grande. Adam left this world far too early but touched many lives while he was with us.

Club Meeting Wednesday Dec 4th

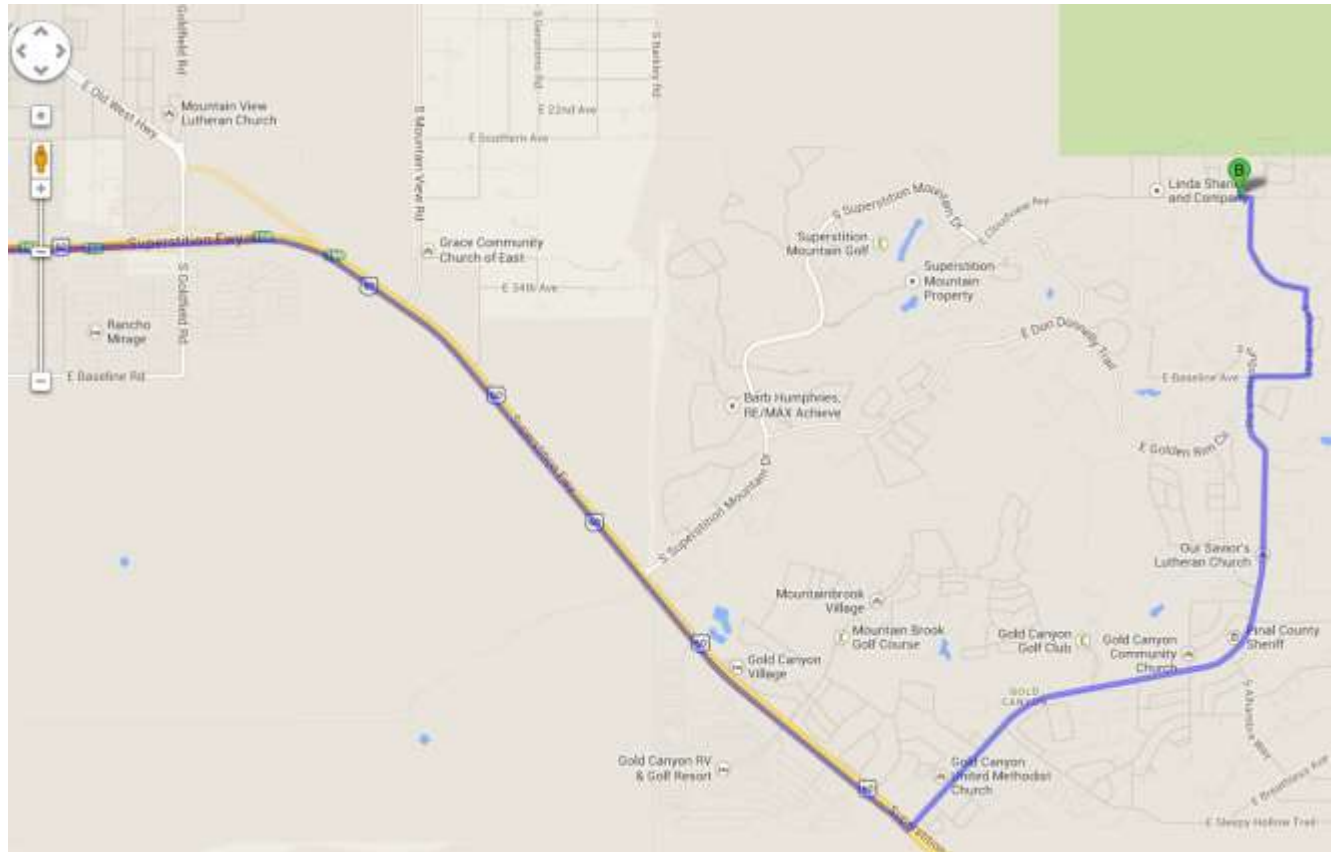

Meeting topics? I would like to suggest that we pick a local cruise-in to attend over the holidays with our Corvairs. How about you west side members? Got any cruises we can join in on your side of town instead of the usual east valley hangouts? Cathy and I enjoy taking the sedan out to new locations.

How about trying to meet at the Hot Wheels Car Show at Baseline and Gilbert Rd one Friday night? The event organizer said if the club would come out with our Corvairs he would supply reserved parking for the group and free pizza too.

Happy Holidays to all!
