

FANBELT FLYER

Prez Sez

By John Seaman

Well February is here. We had a very good time at the Dwarf Car Museum. Wish more would have gone but hey, that's the way it goes. We saw lots of cars that were all handmade. We also watched a movie showing how they were made and was very, very interesting. Thanks to Joe West, Chris, Bonnie and Jerry McLeod (our new Canadian members) and Mary and I. It was truly a great trip. After the museum tour we went to the raceway bar and grill and found it very interesting then Chris, Jerry, Bonnie, Mary and I went and spent some money at the Farmers Market. February we have a few nice cruises coming up.

February 21st. 10:00 a.m. to 2:00 p.m. is the 2nd Annual Caliente Clowns Car Show to benefit the Pinal County Foster Children. Registration form to be received by February 15th any questions call Dale 602-350-2898. Last year we had a great time and Dale said he will feed us again. Registration fee is toothpaste, tooth brushes, combs/brush sets, deodorant, Beanie Babies, baby afghans and quilts. We will meet at the Basha's store in Gold Canyon at 8:30 or so and all caravan to the Caliente Casa De Sol mobile home park in Florence. 3502 N. Pinal Parkway. A map to the caravan meeting place is found on page 5. See the website for additional info. We need to show the other car club that we are better than them in numbers. There will be a few other members from the Desert Kustoms car club and the Senior Rodders car club to which I belong so let's show up in numbers and help out the kids in foster care.

Also, the Tucson Corvair Association has invited us as a group to come join them at the Franklin Automotive Museum on Saturday March 14th. Festivities start at 10:30. We will have a guided tour of the Museum and they will provide all the food and drinks.

I think this would be a great trip and seeing that a few of their members can come to our October Show that we should show our support by going down for this event so mark your calendar for this date. I will have more details and flyers at the meeting.

Last, keep Charlie Dye in your prayers. He has been in the hospital for some health problems and now is in a rehab center in Peoria.

I hope to have more info at our next meeting.

That's all I have. See you February 4th at the Club Meeting. 7:00 p.m.

As always, thank you all for being a member of the best and oldest active Corvair club in the world. If it wasn't for you we would not have a club.

OLD BUSINESS

The Dwarf Car Museum for the Jan. outing. Date is Jan. 17th. The group will meet at the Chevron Station at 8:30 on Wild Horse Pass Dr. in Chandler.

Lost Dutchman State Park is April 18th. The location is the same as last year. Please bring a side dish to share with the group. Hamburgers and hot dogs will be supplied by the club. We have the park from 10:00 A.M. till 3:00 P.M. Entrance fee to the park is \$7.00 per car; however we are trying to get the same discount as last year to \$5.00. More to come on that. Tucson Club will be included and a vote was made to invite other car clubs like last year. No one will need to bring the paper items, there were enough left from last year that will be supplied again this year.

The Caliente Clown Car Show out in Florence that was scheduled for Feb. 28th has been changed to Feb. 21st. There was a large conflict with The Lost Dutchman Day's parade. Free lunch will be there for the drivers who bring their cars. The entry is personal hygiene items for the foster children for when they are taken out of their homes in Pinal County. Items such as toothbrushes, deodorant, floss, hand cream, lip balm, etc..... Entry forms were given out at the next meeting. Jim J, spoke of the waiver that was attached to the previous form to identify that the waiver left liability open to those who attend. Many at the meeting spoke out that it is one that is standard on most entry forms and the discussion ended there.

It was identified that Jonathan is the youngest Board Member ever selected by the club. He took a bow.

Reminder: Dues are due now.

L. Casey reminded everyone that reservations should be made at the hotels if you are going to the Knoxville Tenn. Convention. The rooms are going fast. Room rate is around \$100.00 at the guest hotel.

NEW BUSINESS

Jerry and Bonnie McCloud became new members of club at this meeting.

Jerry brought a copy of the Car Craft Magazine from 1981 that he is donating to the club library. It has a story about Mesa in it.

There is a calendar that was put together by CorvairForum.com. It is sold by Cafe Press and has Dave W.'s Corvair featured for April 2015.

TECH SESSION

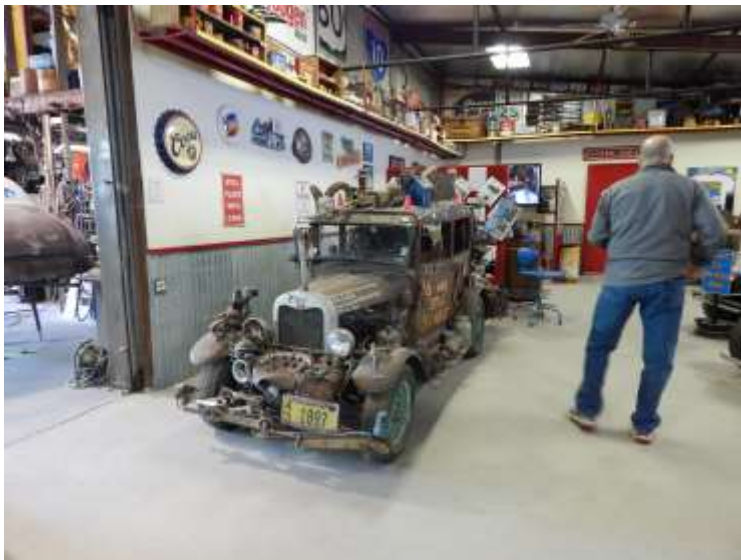

Dave W. brought in 4 different fly wheels and explained the differences in them and how you can tell how they were redone. This will allow you to determine if they need rebuilt. To repair the issue please do not use standard carriage bolts per most of the members at the meeting who work on cars. You must use special Grade 8 hardware

L. Casey won the 50/50 drawing for \$13.00.

Meeting ended at 7:50 P.M.

Sincerely, Mary A. Seaman
