## Prez Sez

By John Seaman

Well we are a few days from our Anniversary show October 5<sup>th</sup>. I hope the weather is not too hot and I hope that everyone can bring their cars out. We will have coffee and donuts plus lunch so bring your Corvairs and a lawn chair.

We have 4 members that have stepped up to take over as officers for the new year. Miner Fleming for President, Larry Starr for Vice President, I promised Miner that I would help as much as I can. If you would like to pick someone out yourself please let us know so we can add your choice to the ballot list. We will be voting on it at our next meeting which will be October 2nd.at 7:00 p.m. sharp at Thorobred Chevrolet.

Saturday the 5th is our show at Thorobred Chevrolet. Start bringing your Corvairs at 8:30 or so. We have a few Corvairs coming from the Tucson club and that is great as always. We love getting together with those guys and It's always fun. We will have door prizes and a 50/50 plus People's Choice. I am hoping that the newspapers show up and also the TV stations.

I want to thank Bob and Diane for their many years of service in the club. I also want to thank Miner for being the Vice president last year and we will be moving Bob, Diane, and myself as Board members along with Bruce. We will need one more board member for the upcoming year seeing Larry is moving up as Vice President. I know Miner will do a good Job. I want to thank everyone that got involved and stepped up to the plate.

If we get anyone else to step up we will let you know at the meeting. You can contact me by phone or mail if you have someone in mind. Right now that's all I have. Again everyone' thank you for being part of the oldest and the dam best Corvair Club in the good old U.S.A. Hope to see you all at the next meeting and the Anniversary Show.

President –John Seaman

## Secretary's Report

By Bob Rencenberger

CACTUS CORVAIR CLUB  
Secretary's Report  
September 2013

The September 4th meeting of the Cactus Corvair Club was called to order by President John Seaman at 7:08 PM.

### OLD BUSINESS

John Seaman was going to bring the newly revised bylaws to the September meeting, but forgot them at home. He promised to bring them to the October 2nd meeting.

Mary Seaman was recognized for the outstanding job she has done on the Cactus Corvair newsletter. Thank you, Mary!!

There was a reminder that one may still purchase shirts/hats with the CCC logo on them through club member Larry Starr. They look super.

The annual CCC Show is still on for Saturday October 5th at Thorobred Chevrolet. President Seaman says he doesn't care what shape your Corvair is in or if it isn't painted. JUST BRING THEM! He wants others to know that they still exist. DON'T FORGET TO BRING ITEMS FOR THE FOOD DRIVE.

### NEW BUSINESS

There was a great deal of discussion about the recovery and transferring ownership of a REAL cutaway 1965 Corvair. The club voted to have John Seaman retain ownership, since he was the one who went to Colorado to receive it and transported it back to Arizona. Photos of the cutaway appeared in the 2013 July/August issue of the Communique on the back cover. John will most likely bring the cutaway to the October show.

## Dave's Two Cents

By Editor and Webmaster Dave Wenzlick

Welcome to the fall season! Finally the heat has broken and we've had a few mornings when there was a slight chill in the air. I've been organizing the garage getting ready for some Corvair work and also preparing for a bathroom remodel this fall.

The big Corvair Anniversary show on Oct 5th is upon us. I'm looking forward to a relaxing day hanging out with friends and talking cars and such. I hope the temps are mild and that we completely fill the front row with both show cars and works in progress. Remember that this show also serves a community service. For an entry fee we request that you bring non-perishable food goods that we will collect and donate to local charities.

Cathy and I are probably going to the Great Western Fan Belt Toss in Palm Springs at the end of October. I'm not sure if I'll take parts to sell or simply walk the grounds and meet some new friends. This is a great old traditional Corvair show that is always nice to attend since it is only about 4 hours away.

Watch for more details soon on the Installation Dinner and the Christmas Dinner. I'll have full details up on the website soon.

-Dave

## Jokes

A mechanic was removing a cylinder head from the engine of a Corvair when he spotted a well-known heart surgeon in his shop. The mechanic shouted across the garage, "Hey, Doc, can I ask you a question?" The surgeon a bit surprised, walked over to the mechanic working on the Corvair. The mechanic straightened up, wiped his hands on a rag and asked, "So Doc, look at this engine. I open its heart, take the valves out, fix 'em, put 'em back in, and when I finish, it works just like new. So how come I get such a small salary and you get the really big bucks, when you and I are doing basically the same work?"

The surgeon paused, smiled and leaned over, and whispered to the mechanic... "Try doing it with the engine running"
