

# FANBELT FLYER

## From the Editor

by Dave Wenzlick

Miner has been on the road quite a bit since the last meeting so there is no President's Message this month.

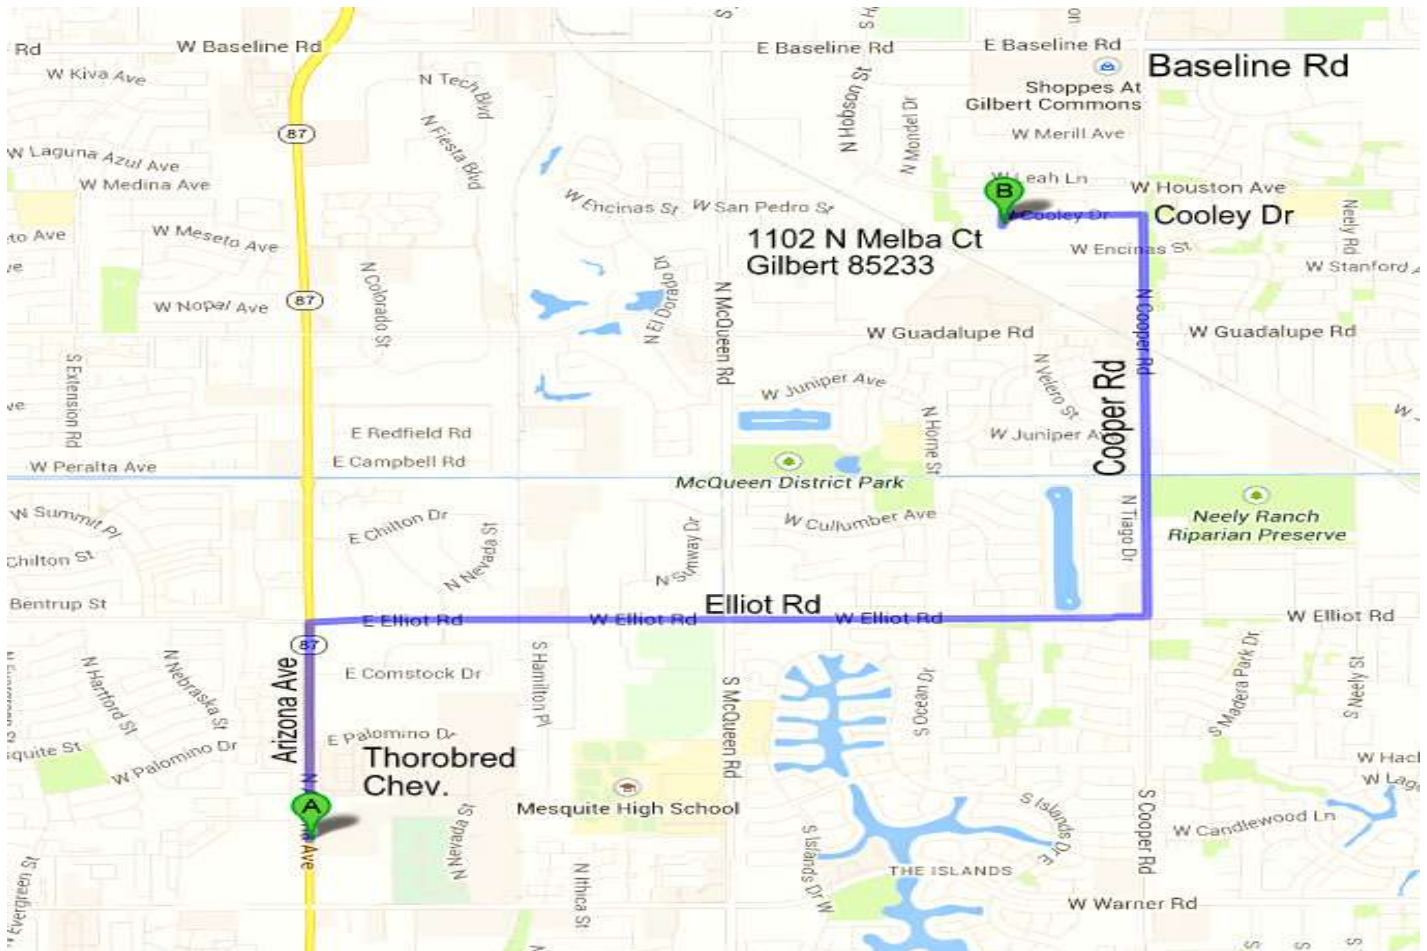

First, a reminder that the regular meeting scheduled for Wednesday night will instead be held during the events this coming Saturday at either the car show or during the pitch-in. Please plan to attend both if you can but hopefully you get to join us for at least part of the day.

The big annual All Corvair car show is at Thorobred Chevrolet this Saturday from 8-1 PM Oct 4<sup>th</sup>. The pitch-in dinner is immediately following starting around 1:30 at Dave and Cathy's house in Gilbert. It's less than 5 miles from the car show to Dave and Cathy's. 1102 N Melba Ct Gilbert 85233.

Please remember to bring non-perishable food items for the needy to either event and we'll be sure they get to the Chandler Food Bank.

I hope everyone will come out and celebrate the 50<sup>th</sup> Anniversary of the introduction of the 1965 Corvair! See you there!

Map shows Thorobred Chevrolet and directions to Dave and Cathy's.

Membership renewals in transit		\$ 0.00
Book Balance as of 8/31/14		\$2,112.48

## Secretary's Report by Mary Seaman

### Meeting Date September 3, 2014

Miner opened the meeting opened at 7:00 PM.

Miner motioned that the Secretary's Report be accepted as written. It was nominated by Bill R. and was seconded by Dave W. The motion passed. Miner motioned that the Treasurer's Report be accepted as written. It was nominated by Bill R. and was seconded by John S. The motion passed.

### **OLD BUSINESS**

The Cactus Corvair Club survey that was sent out late last year was brought up by Miner however, not all the information was brought to the meeting to discuss. It is being tabled until a future meeting.

Discussions were brought up again about the "My Corvair Stories" that we used to run in the newsletter. Gary S. volunteered to share his story with Pictures. Dave W. volunteered to assist him with putting it together since Gary does not believe in computers and needs help submitting it in the correct format for publication. Dave also said he is hoping that others will be willing to share their stories in the newsletter.

Discussion was brought up again about participation in a swap meet or holding our own swap meet. If we hold our own, we need to find a place and determine a date when it is a little cooler. Gary S. suggested as a group going up to the Glendale Community College every 4th Sunday of the month starting in Sept. Dave W. volunteered to get the information on the swap meet and bring it to the next meeting.

## Secretary's Report (Continued) by Mary Seaman

We received a check from Clark's Corvair for their advertising in the newsletter. The gift certificates were returned as previously decided by the club.

October Car Show, date is 10/04/14. This will be the celebration of the 1965 Corvair. The time is 8:00 A.M. till 1:00 P.M. Need to bring nonperishable food items as entry fees to fill the trunks. All donations of food and money go to the Chandler Food Bank.

Miner brought in some Car Show Forms to be displayed in the owner's window and voting cards for the show. They were accepted by all at the meeting. Then the discussion led to the breakdown of categories. After the vote was completed, it was determined that there would be four categories for the Car Show. 1- Best Late Model (1st, 2nd and 3rd) 2- Best Early Model (1st, 2nd and 3rd) 3 - Best Forward Control (1st, 2nd and 3rd) and finally The Best 65.

There was some discussion about dashboard plates to be given out at the show. Dave W, stated that he knew about a site that was offering 50 to be made up at a reasonable rate. Miner gave Dave the task of obtaining them and he would have the club reimburse him.

Larry S. suggested contacting Martin Dolan about putting an article in the newspaper about the car show with pictures from the last show. Dave W. volunteered to take care of that. Dave told us that he got the Car Show listed on the Cruise Arizona website. From that discussions were made about other advertising and Bill R. suggested that we try and see if John from Thorobred could help get it on KOOL radio. Bill R. is going to follow up with that.

There will be a get together for anyone from the Tucson Club and Cactus Corvair Club at Cathy and Dave Wenzlick's House. The Cactus Corvair Club will be supplying three flavors of shredded BBQ chicken and hot dogs for the kids. You will need to bring a side dish or desert to share.

### **NEW BUSINESS**

The Tucson Club has a picnic on Sept. 27th a little outside of Tucson. The location and times are on our CCC website. Please plan to attend and enjoy each other's company.

Jim J. bought a 1965 Corvair back in Montana. He is going to have it sent back to Chandler where is presently back on treatments.

Car Show at the Rock Sept 27th. All the money goes straight to the kids. Alice Cooper has four cars that will be there and some great prizes however, he will not be there as he is out of town that weekend. See the CCC website for more information.

Dave W. brought in some custom aluminum license plate that displayed Corvair sayings on them to show. He has them for sale to anyone that is interested. Please let him know.

Dave W. brought in a New Times that had an advertisement of Cash for Clunkers picturing a Corvair. He also brought in a picture of a Corvair with a Toronado engine and asked if anyone knew who that car belonged to. It belonged to Fred Grady who used to be a member of our club years ago.

Dave W. was contacted by the Wall Street Journal and they wrote an article about him as to why he likes Corvairs. He told them it started with his Grandma's 65 Corsa. He brought in some copies to show the club the article they wrote and the pictures taken.

## Secretary's Report (Continued) by Mary Seaman

Linda C. went to the convention. She shared her experiences with us through her pictures she had taken on the trip during. She had two large photo albums full of pics from unusual Corvairs to old planes. The next convention is in Knoxville Tennessee.

### TECH SESSION

Dave W. brought in a Corvair rim showing the difference between offset and backspace. He demonstrated how to measure the rim properly for ordering rims online.

Gary S. brought in a carburetor with a throttle shaft repair done by an eBay seller that has caused him problems. He demonstrated where to look on the carburetor for the issue so that you don't buy one and end up chasing the same problem.

Jonathan won the 50/50 raffle.

Linda C. won the Corvair license plate that Dave W. donated to the raffle.

The Oct. meeting will not be held on Wednesday the 1st but instead will be held during the Car Show events on the 4th.

Meeting adjourned at 8:12 P.M.
