Prez Sez

By John Seaman

Well, the end of the year is coming up soon. It's a little less than four months before Christmas and little less than a month for cooler weather.

I got a few things done over our summer break. Got my 4-post lift in and working. No more lying on the floor. Mary and I were able to get away for two weeks. We used part of that to go up to Colorado Springs, Colorado to pick up a 1965 Corvaair 4dr. that was known as the Corvaair cut away.

I got a message that the cut away Corvaair was looking for a new home or it was going to be crushed. Well we didn't have enough time to call an Emergency Board Meeting and vote on if we should take on this project or let it get crushed. I called Ed the president of the Pikes Peak Corvaair Club and found out they lost the storage for it. They had to have it gone by the end of the week. Needless to say I can't see Crushing a Corvaair unless it is useless and has nothing more to offer. It even came with a carousel to put up under it so it goes around and around when on display. So we will vote at our next meeting if the club takes on this cut-away Corvaair or do I get to keep it and eat the bills for going up after it. Whichever way the vote goes I am okay with it. It would look good next the club's cut away engine.

We have a meeting in September and need to go over a few things that are coming up. We have a few cars that promised to be coming from out of state for our 50th Anniversary show to be held a Thorobred Chevrolet October 5th. We also have elections coming up and our Officer's Dinner in November and the Christmas Dinner in December. We need members to step up to the plate for Officers, President, Vice President, Secretary and Treasurer. So please think about it and step up and take an office. We need someone to step up and have the Annual Christmas dinner at their house this year. If no one steps up that means we may have to have it at a Restaurant. So come to the meeting and voice your

opinions. Hope everyone got done everything they wanted over the summer break.

Well that's all I have for right now. Thanks for being a part of the best dang Corvair Club in the World. Without you we would not be Cactus Corvair Club and the best Corvair Club in the World.

Thanks, John

Dave's Two Cents

By Editor and Webmaster Dave Wenzlick

First off, let me give a big "Thank You!" to Mary Seaman as the outgoing editor for the Fanbelt Flyer. I used to do the newsletter for Circle City Corvairs many years ago so I know she has put in a lot of hours for our benefit. Please thank Mary and all of the club officers when you see them.

Well I hope you like what I do for the club newsletter. Maybe the info won't be much different but I can give the newsletter some updated formatting and printing options we've not had before like better color photos and such. Each month you will see changes as I try to make the newsletter interesting and easier to produce. Lately, I'm working 50-60 hours weeks and not doing much Corvair work.

Cathy and I try to attend the Hot Wheels Car Show about every other Friday night (Gilbert Rd and Baseline Rd in the east valley). We often watch a very well behaved 5-year old boy on Friday nights and he loves to go buy a few 50 cent Hot Wheels cars and race them on the track. That's all I need for an excuse to take the 65 sedan out on Friday's to show it off. Cathy doesn't mind the fact that the sedan has A/C to make the drive more survivable.

Jokes

An elderly man in Louisiana owned a large farm.

He had a deep pond in the back by the woods and it was well suited for swimming, so he fixed it up nice with picnic tables, horseshoe courts, and some apple and peach trees.

One evening the old farmer decided to go down to the pond, as he hadn't been there for a while to check the fruit trees.

He grabbed a five-gallon bucket to bring back any ripe fruit.

As he approached the pond, he heard voices shouting and laughing with glee.

As he came closer yet, he saw it was a bunch of young women skinny-dipping in his pond.

He made the women aware of his presence and they all swam to the deep end.

One of the women shouted to him, "We're not coming out until you leave!"

The old man frowned, "I didn't come down here to watch you ladies swim naked or make you get out of the pond."

Holding the bucket up he said,

"I'm here to feed the alligator."

Some old men can still think fast.

-Here's a blonde joke submitted by Diane

Three blondes were all applying for the last available position on the Toronto Police Force. The detective conducting the interview looked at the three of them and said, "So you all want to be cops, huh?"

The blondes all nodded.

The detective got up, opened a file drawer, and pulled out a folder. Sitting back down, he opened it, pulled out a picture, and said,

"To be a detective, you have to be able to detect. You must be able to notice things such as distinguishing features and oddities like scars and so forth. "

So saying, he stuck the photo in the face of the first blonde and withdrew it after about two seconds. "Now," he said, "did you notice any distinguishing features about this man?"

The blonde immediately said, "Yes, I did, he has only one eye!

The detective shook his head and said, "Of course he has only one eye in this picture! It's a profile of his face! You're dismissed!

Jokes (continued)

The first blonde hung her head and walked out of the office.

The detective then turned to the second blonde, stuck the photo in her face for two seconds, pulled it back, and said, "What about you? Notice anything unusual or outstanding about this man?"

"Yes! He only has one ear!"

The detective put his head in his hands and exclaimed, "Didn't you hear what I just told the other lady?"

This is a profile of the man's face! Of course you can only see one ear! You're excused too!"

The second blonde sheepishly walked out of the office.

The detective turned his attention to the third and last blonde and said, "This is probably a waste of time, but...."

He flashed the photo in her face for a couple of seconds and withdrew it, saying, "All right, did you notice anything distinguishing or unusual about this man?"

The blonde said, "I sure did. This man wears contact lenses.

" The detective frowned, took another look at the picture, and began looking at some of the papers in the folder.

He looked up at the blonde with a puzzled expression and said, "You're absolutely right! His bio says he wears contacts! How in the world could you tell that by looking at his picture?"

The blonde rolled her eyes and said, "Well, Helloooooooooooooo!
With only one eye and one ear,he certainly can't wear glasses."
