Cactus Corvair Club Inc.

P O Box 67266

Phoenix, AZ 85082-7266

Meeting place graciously supplied by Thorobred Chevrolet, 2121 Arizona Ave. in Chandler. Meeting start time for Membership is 7:00 p.m.

PREZ SEZ,

Well the hot weather is coming and most of us park our cars for the summer, but if you don't that's great keep them rolling on down the road. Every Wednesday there is a group of car guys and girls that meet at the Mirage Sports grill at 8:00 a.m. at 725 West Apache Trail in Apache Junction. I have been going there almost every Wednesday for breakfast and talk old cars. The club is called the Senior Rodders. Now they are meeting on Friday evenings at Fatmans Pizza, 1985 West Apache Trail, the cross roads are Delaware Dr. and Apache Trail in Apache Junction. Last Friday there was 31 cars out there. They said they were going to try to make this an every week event. So if you have nothing to do and want great Chicago style Pizza or even a good breakfast you have someplace to go and bring your Corvair. Senior Rodders is a group of older guys that have fun with their old classics and there are many nice hot rods in the bunch. I have found them to be a great bunch of guys loving what we love, Our cars. So here is your invite to come out with your car and enjoy yourself. Last Friday Mary, Minor and myself came out with our cars and showed them and went inside and ate and talked for a few hours. We had a great time, so come join us.

On a different note our tech session didn't go as well as I would have expected. Only a handful of people showed up. We put these things together for you all to enjoy. It would have been nice if you could have joined us. I want to Thank Diane and Bob for opening up your home to the ones that showed up and to thank Diane for keeping my granddaughter interested and not bored. She just has to always go with Grandpa when I go someplace, even if I think it maybe boring for her. I also want to thank everyone that did show up. We did have lots of great food and lots to drink. There was not enough people there to have a meeting so we did not have one. There is not much of a secretary's report in this newsletter.

Our next meeting is at Thorobreed Chevrolet, see time and date in this newsletter. It will be our last meeting for the summer until September 2013 when we will be talking about Elections and the Big October Anniversary Show. So please show up and give us your two cents worth. Come join us at the shows and let's keep those Corvairs out and running about. Thank each and everyone of you for being one of the oldest and best Corvair Car Clubs in the good old U.S.A. because without you we wouldn't be Cactus Corvair Club.

Thanks to all. John Seaman.

Cactus Corvair Club

## Secretary's Report

Cactus Corvair Club  
Secretary's Report  
May 2013

There is no secretary's report for May due to lack of members showing up at the Tech session, so no reportable meeting was held.

We (Bob and Diane) would like to thank John Seaman and Gary Sudbeck for trying to present a tech session. We would also like to thank Dave Wenzlick for calling to RSVP that he and Kathy could not make the tech session.

And a special thanks to Chuck Roderique, one of our newest members, who not only called to RSVP he was coming to the tech session, but brought delicious cookies he baked himself. To top that off, he called later to thank us for hosting the tech session.

Respectively submitted by the Rencenbergers

## Just for Laugh's

### DEAD AGAIN

A funeral service is held for a woman who just passed away. As the pallbearers carry the casket out, they accidentally bump into a wall.

They hear a faint moan. They open the casket and find that the woman is actually alive.

She lives for 10 more years and then dies. They have another funeral for her. At the end of the service, the pallbearers carry out the casket.

As they are walking, the husband cries out, "Watch out for the wall!"

### The 45 Difference

Q: What's the difference between a girlfriend and a wife?

A: 45 lbs.

Q: What's the difference between a boyfriend and a husband?

A: 45 minutes.
