Prez Sez

Well the last few months have been interesting to say the least. I was contacted by Don Kellogg from Corsa. I don't remember what his title is there, but he requested the names of all Corsa and Non Corsa members of our club. Diane put our list together the names of members that had paid there dues as of that date and the names that we had of the members that we knew of that was not non Corsa members and I Submitted it to Mr. Kellogg buy the date they requested.

A few hours later I got an Email from Mr. Kellogg stating that he needed address's, phone numbers and Emails of all our members including the Officers. I sent the email to Mr. Kellogg with my Email address and no one else since I did not have permission to submit those to Corsa. I explained that I have no permission to give out any of our memberships phone numbers, address, and Emails. One of my duties as President is to protect the membership privacy. After getting an Email from Harry Jensen and a very nasty Email from Jamie Reinhart telling me how I am more or less making members leave Cactus Corvair Club since I have been president and how I Rattle a Sword to members to leave Corsa, and then reminded me many times of Corsa's policy with Membership and Chapter responsibility. I then Emailed Mr. Reinhart back and reminded him of the federal Privacy Act. I Explained to him I do not have to release from anyone to give them personal information. After 3 hours of Email with Jamie Reinhart, Harry Jensen, and Don Kellogg I finally Emailed Jamie and told him that I was going to bring it to the membership and let them vote on it.

Everyone is aware that the only real benefit to our Club with being a Charter Member of Corsa is the insurance. The fee for non-Corsa members was to help cover the insurance expense incurred because of no fee being collected by Corsa from the membership dues.

The personal information requested by Corsa is maintained by the officers of the club and from different inquiries we have done previously, many of the club members do not want that information available outside of the boundaries already in place. Please come to the meeting to give us your vote on whether or not you want the information given to Corsa, and if not, are we willing to withdraw as a Charter Membership with Corsa, because that is what the emails indicated would happen if we were not going to supply this information. So the next meeting we need to discuss and vote.

On a better note, we have our Route 66 tour coming up on March 10th and 11th. I hope everyone has made there reservations for the motels. Time is getting short and we are going to have a great time and if all go's well, this could be the beginning of a new trip in the Cactus Corvair things to do each year.

Thank you all for being a part of the best Dam Corvair Club in the U.S.A. John

Secretary's Report

The meeting was called to order by President Seaman at 7:05 PM.

Guests John Kanzelmap (a '65 Corvair) and Bob Broiant (a '65 Corvair coupe) were introduced to the Club members. The Treasurer's and Secretary's reports were approved as published.

President Seaman and Bruce Levitch recounted some of their conversations with CORSA about streamlining the club list to show only active clubs and to determine how many active clubs had non-CORSA members and to charge the clubs \$3/year for each non-CORSA member. The Club suggested and approved by vote that the club pay the non-CORSA fee for those members (both of them).

The rest of the meeting was taken up with lots of discussion about Shows that we might go to. They are arranged in chronological order.

Just for Laugh's

A tough looking group of bikers were riding when they saw a woman about to jump off a bridge, so they stopped.

The leader, a big burly man, gets off his bike and says,
"What are you doing?"

"I'm going to commit suicide," she says.

While he didn't want to appear insensitive, he didn't want to miss an opportunity either, so he asked... "Well, before you jump, why don't you give me a kiss?"

So she does... And it was a long, deep, lingering kiss.

After she's finished, the biker says, "Wow! That was the best kiss I've ever had! That's a real talent you are wasting. You could be famous. Why in the world would you want to commit suicide?"

"My parents don't like me dressing up like a girl.....".

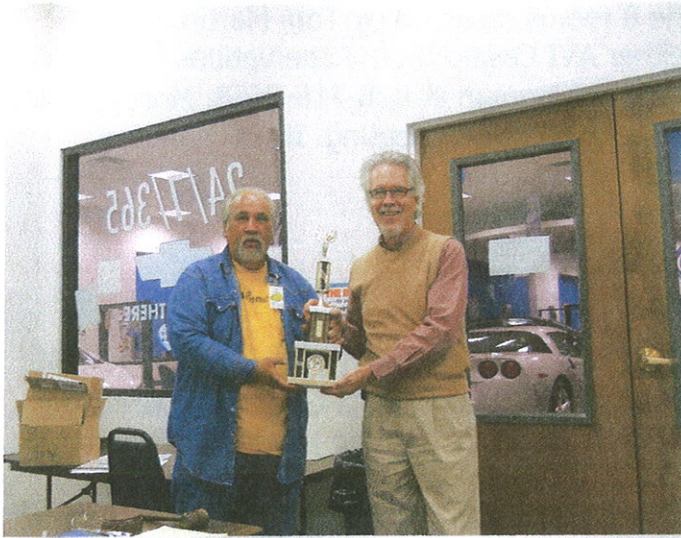

The authorities think she may have been pushed.

I know were looking for more good jokes. If you have any that you would like to share with the club, sent them to spring1951@live.com and put in the subject line, jokes.

So we all can share a good laugh. Thanks, Mary
