PREZ SEZ,

Well if you missed the Luncheon and Tech Session at Daves house you missed a good time. There was plenty of good food and great hospitality. Thank you everyone for bring a coved dish and a Big thank you Dave and Kathy for opening your home to us. I hope the Tech Session was informative to you all. Of course we didn't have a Carb out of sink but everyone should know about Sinking a carb. Then we had a talk on Corvair shift rods and how to adjust them and the place that they can be greased. Then we walked and answered quistions about Dave's car that was up on the forklift hoist.

March is our next get together at Organ Stop Pizza on March 16th. We will meet up 4:30 p.m. See more about this here in your newsletter. April 6th is the Lost Dutchmen State Park Cookout and Show. This will start around around 10:30 A.M. The club will pay for meat and the members will need to please bring a covered dish to pass around. It is usually sunny and nice around this time of the year. Make sure you bring your hiking boots if you are going on the trails. Our Navada Trip is still in the works but is set for May. Iam still working on the hotel details but we might make it a 3 day 2 night adventure leaving Phoenix Az. going up to Route 66 to Seligmen AZ. stopping at the "Road Kill Cafe" then over to the Ice Cream shop and off down Route 66 into Navada. You don't have to have a corvair to join the caravan and you don't have to Gamble, there are many other things to do there. Look for more info in this newsletter . I do plan on asking the Tucson Club to Join us. O.K so now let's get in that Corvairs and meet us at Organ Stop.

Happy Corvairing And Thank you for being a part of the Best dam Corvair Club in the U.S.

Secretary's Report

Cactus Corvair Club

The meeting was called to order at 7 PM by President John Seaman. He reported to the group that Darleen Martin was in very poor health, and that husband Tom Martin had put up his 65/66 Corsa convertible for sale (asking \$14000). We wish Tom and Dar the very best.

The Treasurer's and Secretary's reports were accepted as printed.

We were visited by Jeff XXXXXX, who has '65 and '66 Corsa convertibles. Richard and DeAnn Weber, Ron Boen, and Chuck Roderique, who are all new members, were there for their first meeting.

Pres. John reminded everyone that Club dues are now DUE! ! !

The Club activity for February will be a Tech Session on how to balance Corvair carburetors. This will take place on Sat,, Feb 16 at Dave Wenzlick's house. Thanks, Dave and Kathy, for hosting the session.

The March meeting will be as scheduled at Thorobred. The March activity is planned for an indoor picnic at Organ Stop Pizza on Sat, Mar 16 about 4:00 PM. More about the Lost Dutchman picnic to come next month !

The meeting was adjourned at 7:54 PM

Just for Laugh's

Strangers On A Train.....

A man and a woman who had never met before, but who were both married to other people, found themselves assigned to the same sleeping room on a transcontinental train.

Though initially embarrassed and uneasy over sharing a room, they were both very tired and fell asleep quickly, he in the upper berth and she in the lower.

At 1:00 AM, the man leaned down and gently woke the woman saying,

'Ma'am, I'm sorry to bother you, but would you be willing to reach into the closet to get me a second blanket? I'm awfully cold.'

'I have a better idea,' she replied, 'Just for tonight, let's pretend that we're married'

'Wow! That's a great idea!' he exclaimed.

'Good,' she replied, 'Get your own damned blanket.'

After a moment of silence, he farted.
