Prez Sez

Well the weather is getting hot, 103 as I write this. I want to thank everyone that brought a car out to the Chandler Air and Car Show. We had 4 or 5 cars there on Sunday. The weather was very cold and windy Saturday, but great on Sunday. Its almost like Chicago weather. If you want some different weather wait until tomorrow is what they say up there.

April 27th and 28th is the 5 C get together up at Greg Schupfer's cabin up north. There is also a big car show up there that weekend. See the flyer for more details and don't forget to contact Greg and Ginger to let them know your coming up. A trip up there is one nice way to get out of the Valleys heat.

April 28th is also the Chevy Showdown in Tucson. We were asked again to come join those wonderful guys and girls down in Tucson. So if you want to join in on a great show once again its from 9:00 A.M. to 4:00 P.M. at the Catalans Foothills High School, 4300 East Sunrise Dr. Tucson registration forms are on the Tucson Corvair Association website. If you don't go to the 5 C's weekend you still have someplace to go to show off that great Corvair of yours.

We have a few things coming up. On Saturday May 5th 2012 we have our Tech Session and cookout at Dave Wenzlick home. We will have a small Club meeting and then eat and have our tech Session. We are going to rebuild Carburetors so bring a carburetor out to me if you want it cleaned and I will clean it or you can clean it and bring it with you. I have kits for sale at \$18.00. These are Complete kits with everything plus that you would need to build a Carburetor. I will bring some with me. See more in this newsletter and also check our website at www.cactuscorvair.com for more info and how to get to Dave's House and bring your swim suit, there is a pool.

That all I got for now. Keep watching the Cactus Corvair website for more information on up coming events and I thank everyone for being a part of the best Corvair club in the World.

Your Prez John Seaman.

Secretary's Report

This meeting of The Club was held in the Customer Waiting area of the Service Department of Thorobred Chevrolet as Thorobred was having a meeting in the room that is usually used by the Club.

President John Seaman called the meeting to order at 7 PM. The Treasurer's Report and the Minutes of last month's meeting were approved as published in the Fanbelt Flyer.

Old Business

Greg Schupfer talked about access to his cabin in Payson and space in his cabin. Anybody planning to visit them is urged to coordinate with them (phone, cell, carrier pigeon, etc).

Tom Martin talked about the Club trip over some of the segments of US66 that were still open to traffic. It was generally agreed that the trip had been very enjoyable by all who were there in spite of a small differential oil leak in Tom's car. Everybody got home safely without further problems. It was agreed by all who went that it was a very good outing, and worth doing again next year at about this time of year.

Bill Rhode arranged for the Club and the Corvette club to be invited to display their cars at the Chandler Air Park Centennial Air Show. There were 4-5 Corvairs (depending on when you looked) and lots of Corvettes. This show was warmish, but pleasant never the less. Warbirds on display included a B-17 with a chin turret, a Vought Corsair F2 in dazzling red and white paint that looked like a replica of a Thompson Trophy racer (had a 4-row R4360 radial engine instead of the normal 2-row radial), a T-6 trainer from the WW-II period was taking people for rides, and a late model P-51 Mustang (bubble canopy) flew in. There were also a few biplanes. A very nice display of aircraft.

New Business

The activity for May is going to be a carburetor overhaul at Dave Wenzlick's on the fifth of May. Call Prez John to set up a time to bring over your carburetor so that it can be cleaned prior to the tech session.

The meeting was adjourned at 8 PM.

Respectfully submitted Bob Rencenberger, Secretary

Just for Laugh's

Bill and Sam, two elderly friends, met in the park every day to feed the pigeons, watch the squirrels and discuss world problems.

One day Bill didn't show up. Sam didn't think much about it and figured maybe he had a cold or something. But after Bill hadn't shown up for a week or so, Sam really got worried. However, since the only time they ever got together was at the park, Sam didn't know where Bill lived, so he was unable to find out what had happened to him.

A month had passed, and Sam figured he had seen the last of Bill, but one day, Sam approached the park and -- lo and behold! -- there sat Bill! Sam was very excited and happy to see him and told him so. Then he said, 'For crying out loud Bill, what in the world happened to you?'

Bill replied, 'I have been in jail.'

'Jail?' cried Sam. 'What in the world for? '

'Well,' Bill said, 'you know Sue, that cute little blonde waitress at the coffee shop where I sometime go?'

'Yeah,' said Sam, 'I remember her. What about her?'

'Well, one day she filed rape charges against me, and, at 89 years old, I was so proud that when I got into court, I pled 'guilty'

'The damn judge gave me 30 days for perjury.'
