Meeting place graciously supplied by Thorobred Chevrolet, 2121 Arizona Ave. in Chandler. Meeting start time for Membership is 7:00 p.m.

PREZ SEZ,

Well if you missed the Cookout and our celebration of the clubs Anniversary you missed a great time. We had great food, thanks to everyone the brought a covered dish and Chocolet cake to mark the 52nd year that Cactus Corvair Club. The club was started by a few men sitting down drinking coffee and driving there great looking Corvairs. We had hamburgers and hot dogs grilled by me so I had to work a little but had a good time. I think I counted 9 Corvairs of all types. The weather was great the food was great and the people were wonderful. We even had many stop and ask about our cars and took pictures. Hopefully we can do it again next year.

The very next day a group of us all went over to the Chandler airport Fly in. Bill Rhode orginized for our Corvairs to drive in with the Corvette guys into the airport were we parked among some of the aircraft. Man it was another great day. Even some of us were able to take our Corvairs over for a photo with Sentemential Journey. I didn't count the cars the were there but we had a good turn out. All in all it was a great weekend.

Well our Tech session is coming up at Bob and Dianes house May 4th. Come around 11:00 am, details are in this flyer. Please bring a covered dish to share. The club will furnish the subs, water and Lemonaid. If you want something else, to drink, please bring it with you. Our tech Session will be on the Mechnics of the Carberator. Hope you can come and join in on the fun. After that we may take a trip to the Mesa Cruise in at Kmarts parking lot in Mesa off Power and Hampton Road.

Well the heat is coming and as most of you know we don't meet July and August. September is our first meeting back and we will be discussing the our Annual Anniversary Corvair Show out at Thorobred Chevrolet. Once again I plan on inviting those great guys from Tucson Corvair club to come join us. I hope we can get a record amount of Corvairs of all types out there. This year marks the anniversary of the 64 so those of us who have 64 Corvairs will be spotlighted. Well For now that all I have for now and I want to welcome our new members and hope to see them out at our get togethers. Thanks to each and everyone of our members for being a member of the greatest and Oldest Active Corvair Club in the Great ol U.S.A.

John

CACTUS CORVAIR CLUB
Secretary's Report
April 2013

The meeting of April 6th at Lost Dutchman State Park was called to order by President John Seaman at 12:25 PM. The March minutes and treasurer's report were accepted as printed in the newsletter.

We welcomed a guest, Howard Bozo, who was a Cactus Corvair member back in the early years. John asked each person present to stand and talk a little about the Corvairs they own. We had about five Corvairs present. Hoping for more to show at the May Tech session.

We had a very nice turn out of 20 people for our picnic at the Lost Dutchman Park. It was a gorgeous day and we had some very tasty food to enjoy while having some nice conversation and a great view of Superstition Mountain.

Everything was wonderful, except for the upsetting news that Darleen Martin had passed away the day before. She is going to be missed by all who knew her. Our prayers and love go out to her husband Tom. There will not be a service for Darleen in Arizona. Her ashes will be taken to Oregon where most of their family resides.

OLD BUSINESS

Don't forget the May 4th Tech session at Bob and Diane's place. Please RSVP what food you will be sharing, so we don't have too many of one thing. The potato salad was wonderful at the picnic, but we had three large dishes of it. Call 480-775-8116. If you have not been to our house, we will give you directions at the time you call. We will be having sub-sandwiches unless anyone volunteers to bring a grill and purchase all the meat to put on it.

John says the bylaws will be printed very soon.

Remember: Cactus Corvair Club license plates for your Corvairs are available for \$10.

NEW BUSINESS

Miner Fleming, our vice-president, also takes care of all the newsletters past and present and has them available to any member who wants to read a particular article. He also has some books relating to Corvairs available to check out.

John Seaman mentioned he has a rotisserie (used for working on cars not for cooking) for use if anyone is interested.

We had a discussion whether we should still belong to the Hobbyist Council. Ande Lange and Art Vermeire have been our representatives, but neither member wants to continue. Both gentlemen live on the west side of town and do not make it to our meetings on a regular basis. If anyone wants to step up and be our representative please contact John Seaman. At this time we voted to discontinue our membership with the Council. If you are interested in what is happening with the Council, they have a website.

Diane R. is going to look into going to the Mystery Castle sometime in the fall. She will also look into several other places for us to visit after the summer recess. If you have some place you think would be fun for us to go to as a group, please bring your idea(s) to one of our meetings.

The 50-50 Raffle was won by Bill Rhode.

Respectively submitted by D. R.

For Sale:

Set of 140 heads for sale. They have been re-done by S & S Machine Shop owner. Don't need them anymore, he sold his car and wants \$350.00 for them. Call John at 480-242-1211.

Good running 95 horse power engine for sale, \$1000.00 or best offer. Has 57,000 plus miles. Call John at 480-242-1211

Brand new late model tinted windshield, asking \$225.00. Call John at 480-242-1211.
