Prez Sez,

First I want to thank each and every member of the club for electing me president of the club for a third term. I also want to thank Diane and Bob for staying on as Treasurer and Secretary. I want to thank Bill Rhodes for being our past Vice President and welcome Miner Fleming as our new Vice President, he will be getting a work out this coming up year. I also want to thank our past board members for all there help this past year with Bylaw changes and other stuff that we had going on. And welcome a couple of newcomers to the board, Bruce Levitch, Bobby Stephenson, and John Priddy. I want to thank you guys for stepping up to the plate.

Well another year is almost over. We had some good times and some bad, but so far everyone has made it better club. We have our two big events coming up our annual Instillation Dinner coming up November 5th at 6:00 P.M. at Black Bear Restaurant at Baseline and Gilbert. We will be doing the Yankee Swap again, so please don't forget to bring your gift. Our Christmas dinner this year is on Dec 10th 5:00 p.m. more about it at the meeting.

Well we had 2 car Shows last month. Our Annual 50th year of the Corvair at Thorobred Chevrolet and I think we had 25 cars show and collected about 100 pounds of food and \$155.00 in cash/check, so we did very good. Winners in the people Choice awards was Steve Smith 1st place for his Green 1963 Monza Convertible. 2nd place went to Bill Rhode for his 64 Monza convertible, and 3rd place went to Dick Royal for his 1965 Corsa coupe. Tom Martin won 1st place in the 1962 category. Congrats go out to you all.

We are in need of a newsletter Editor. Mary is to busy with her job and needs to step down. So I need someone to step up to the plate. Again I want to thank everyone for being a part of the best Corvair club in U.S. have a great Halloween.

Your Prez. John Seaman

Jokes for Adam

An Amish boy and his father were in a mall. They were amazed by almost everything they saw, but especially by two shiny, silver walls that could move apart and then slide back together again.

The boy asked, 'What is this, Father?'

The father (never having seen an elevator) responded, Son, I have never seen anything like this in my life. I don't know what it is'.

While the boy and his father were watching with amazement, a large old lady in a wheelchair moved up to the moving walls and pressed a button.

The walls opened and the lady rolled between them into a small room.

The walls closed and the boy and his father watched the small circular numbers above the walls light up sequentially.

They continued to watch until it reached the last number and then the numbers began to light in the reverse order.

Finally the walls opened up again and a gorgeous 24-year-old blonde stepped out.

The father said quietly to his son.....

Go get your mother.'

What do you call a man who stands around and makes faces all day? A clockmaker.

What do you call a ship that lies on the bottom of the ocean and shakes? A nervous wreck.

Why do you need a drivers license to buy liquor when you cant drink and drive?

Why do accountants make good lovers? They're great with figures.

Ghost: Are you coming to my party? Spook: Where is it? Ghost: In the morgue - you know what they say, the morgue the merrier.

I would love to share any with the club that are politically ok since I try to stay away from the politics with the jokes. I will try and use as many as I can for the newsletter. I know we looking for more good jokes. If you have any that you would like to share with the club, sent them to spring1951@live.com and put in the subject line, jokes. an all share a good laugh. Thanks, Mary
