**Prez Sez,**

Well we have all the Bylaws don't and the few mistakes/ changes re-done. They have been voted on and approved so we will have a set of new Bylaws for everyone at the next meeting. A special thanks to the board members for taking the time to meet up, and all the efforts that it took to get them in a draft form for the club to review. And a big thanks to all the Club members for reading the newsletter and letting us know what needed to be changed to complete that task, your voice was greatly appreciated.

We have our annual Corvair Car show at Thorobred Chevrolet October 1<sup>st</sup>, starting at 8:00 A.M. and finishing at 3:00 P.M. Remember to bring a non perishable food item at registration and/or a few bucks at registration to go to the local food bank. We will also have a few of our great friends from Tucson there so make them feel welcomed. Miner Fleming has invited everyone in the club to his house after the show for dinner. All you need to do is bring a side dish and he will provide the main course. As most of you know, the view from his backyard is beautiful.

We also have a Car show opened to all makes and models Chevy, Ford, Dodge, Pontiac, Buick, Olds, years from 2000 and older. I was called by the sponsor, Old Country Buffet and asked if we can put it on. I brought it to the last meeting. So here it is your chance to park our wonderful Corvairs next to some Wimpy Muscle car. Its going to be held at the Old Country Buffet at Baseline and Stapley on October 15<sup>th</sup> at 9:00A.M. That is a Saturday and please bring a can of food or non- perishable food item for the Local Food bank and I will give you a Ticket for a free meal. Yes free Buffet meal Breakfast, Lunch or Dinner your choice. I hope to see Many Corvairs there.

We also have an Open Class Car Show planed in November at the Old Country Buffet at Southern and Power. Same thing, bring a non perishable item and get a meal free. This one will have a twist though, after the Car show there will be a shoot out in the parking lot by the Mule Skinners. Watch the newsletter for more details.

I want to thank my wonderful wife for proof reading everything I put in the newsletter and for doing the newsletter. That's All I have for now. Thank you all for being a member of the greatest Corvair Club in the U.S.

Your Prez. John Seaman

## Secretary's Report

The meeting was called to order by President Seaman at 7:00 PM. The Treasurer's report and meeting minutes for Sept. were approved as published.

A review of the bylaws was completed and changes were updated and the final version of the bylaws has been voted on and accepted.

The upcoming election was discussed and John Priddy volunteered to chair the elections committee. The nominees are listed in this Fanbelt on the voting form with a place to name someone other than the names on the list if you want someone else.

A new attendance program was brought up during the meeting. If 9 out of 10 meetings and set number of attendance at the shows we are sponsoring is obtained, then the Installation Dinner for 2012 will be paid for by the club.

A reminder to the club that the Fanbelt Toss is the weekend of Oct. 21, 22 and 23.

Bruce Levitch led a discussion about CORSA and possible changes.

The Old Country Buffet Show on Oct. 15<sup>th</sup> was voted on and approved by the club.

Our Third Annual Corvair Anniversary Show was discussed and Miner Fleming volunteered to host a Potluck at his house after the show on Oct. 1<sup>st</sup>

Tom Martin asked if anyone would be interested in a overnight road trip outing on Route 66. There was definitely some interest, so this will be brought up again at a future meeting.

Finally the 50-50 raffle was won by Joy and Eric Stevens who returned the winnings back to the club. Thanks again for your generous donation.

The meeting was adjourned at 8:30PM.

Respectfully Submitted, Bob Rencenberger, Secretary

### **Jokes for Adam**

**An elderly man is stopped by the police around 2 a.m. and is asked where he is going at this time of night.**

**The man replies, "I am on my way to a lecture about alcohol abuse and the effects it has on the human body, as well as smoking and staying out late."**

**The officer then asks, "Really? Who is giving that lecture at this time of night?"**

**The man replies, "That would be my wife."**

Kids say the darndest things....

JACK (age 3) was watching his Mom beast-feeding his new baby sister. After a while he asked: "Mom why have you got 2? Is one for hot and one for cold milk?"

SUSAN (age 4) was drinking juice when she got the hiccups. "Please don't give me this juice again," she said, "It makes my teeth cough."

I would love to share any with the club that are politically ok since I try to stay away from the politics with the jokes. I will try and use as many as I can for the newsletter. I know we are looking for more good jokes. If you have any that you would like to share with the club, sent them to [spring1951@live.com](mailto:spring1951@live.com) and put in the subject line, jokes.

And we will all share a good laugh. Thanks, Mary
